Hi Katherine,

I'd like to catch up with you and Lisa (if she's interested) about the status of the CFAC case. Attached are a couple of incoming letters from local governments about the NPL listing process versus SA approach. Unfortunately, I think you're out of the office today and this is my last day in the office for a week, But I'd be happy to have a call with you from DC while I'm on the road next week. Monday is not great as I'll be traveling that day. But later in the day on Tuesday would work after I'm done with my meetings, and I have availability on Wednesday. If you don't see this today, please leave me a VM on my personal cell as to your availability next week. Cell is 720-339-6381.

Thanks,

Mark
